A Tiny Heart
A Big Fight
Please Save My
Little Baby
Baby Ali Hamza

# Baby Ali Hamza (4 Months)

My Son Ali Hamza is just 4 months old, and is now battling serious congenital Heart Problem (Hole in the heart). Today, he is fighting for his life.

Ali Hamza was born with a hole in heart. The doctors have told us that only surgery can save him and the cost of the surgery would be around Rs. 3.0 Lakhs.

I am working as a daily wage labourer and earning around Rs. 8000 pm which barely helps to feed my family. For me, arranging such a huge amount is beyond my capacity.

With a helpless heart and folded hands, I am seeking support from Diya India Foundation and its kind supporters.

**This surgery is my Son's only hope to live.**

**Please help me save my child.**
