Subject: Letter of Appreciation for your efforts towards this kind & benevolent act.

Dear Sir & Madam,

Greetings from **Department of Pediatric Cardiology Khyber Medical Institute.**

We are writing to express our deepest thanks to Diya India Foundation and its supporters for helping to arrange the necessary funds for the Patient Fatima Shabir R/o Baramulla who was suffering from Congenital Heart disease and requiring treatment. She was admitted on 04.12.2019 and underwent (PDA device closure) on 05.12.2019. She has been discharged in stable Condition on 07.12.2019. It was a significant contribution to bridge the gap between the fortunate and the less fortunate to have such high end medical treatment.

We cherish your support and hope to continue the long term association with your organization.

Thanks & regards
