Subject: Letter of Appreciation for your efforts towards this kind & benevolent act.

Dear Sir & Madam,

Greetings from **Department of Pediatric Cardiac Sciences, Fortis Escorts Heart Institute and Research Center.**

We are writing to express our deepest thanks to **Diya India Foundation and its supporters** for helping to arrange the necessary funds for the **Baby of Nikki** who was suffering from Severe Pulmonary Stenosis (congenital heart disease). He was admitted at Fortis Escorts Heart Institute, New Delhi on 12th August, 2020 vide Regn No. 002132737 and had undergone Balloon dilatation of pulmonary valve on 13th August, 2020. It was a significant contribution to bridge the gap between the fortunate and the less fortunate to have such high end medical treatment.

We cherish your support and hope to continue the long term association with your organization.

Thanks & regards,

Dr. S. RADHAKRISHNAN
