Subject: Letter of appreciation for your effort towards this kind and benevolent act

Dear Sir/Ma'am

Greetings from the Department of Pediatric Cardiac Sciences, Amrita Hospital, Faridabad

We are writing to express our deepest thanks to Diya India Foundation and its supporters for helping to arrange the necessary funds for our patient Mohammed Adam (MRD No. 62845), a 6-month-old male child who was diagnosed to have a complex congenital heart disease. The child was admitted to Amrita Hospital on 22-06-2023 and underwent Aortic Valvotomy with Supra-valvar Aortic Stenosis repair on 23-06-2023. He was discharged on 01-07-2023 in stable condition.

It was a significant contribution from your esteemed institution to help bridge the gap between the fortunate and the less fortunate to have such a high-end medical treatment.

We cherish your support and hope to continue the long-term association with your organization.

Thanks and regards,
