**Subject: Letter of Appreciation for your efforts towards this kind & benevolent act**

Dear Sir/Madam,

**Greeting from Department of Paediatric Cardiac Sciences, Amrita Hospital**

We are writing to express our deepest thanks to Diya India Foundation & its supporters for helping to arrange the necessary funds for the patient Ms. Seerat Kaur, 10 yrs old female old male who was suffering from Circumferential SAM with severe LVOTO with moderate AR with restricted VSD with PDA (congenital heart disease) and requiring treatment. Child was admitted on 21/03/2023 and underwent VSD CLOSURE WITH SAM RESECTION at Amrita Hospital, Greater Faridabad, Haryana (MRD No. 37022). Child has been discharged on 27/03/2023 in stable condition. It was a significant contribution to bridge the gap between the fortunate and the less fortunate to have such high end medical treatment.

We cherish your support and hope to continue the long term association with your organisation.

Thanks & regards,

  
**Dr. S. RADHAKRISHNAN**
