**My son Arhan
is at a risk
of dying.
Help Me
before it's too late.**

Baby Arhan Khan (1 Year 3 Months)

4 months back it Started with fever and blue nails. We thought it's something small.

We took him to the hospital. Where the doctors told us, he is suffering from Congenital Heart Disease and requires surgery and cost of surgery will be around Rs. 2,00,000/-.

My husband is a daily wage labourer working tirelessly and earns only Rs 8000/- to Rs 9000 per month the cost of the surgery is far beyond our reach but somehow, we have been able to arrange Rs 50,000/- we can't arrange more.

We request Diya India and its kind supporters to help and save my son's life.

Your Kindness can bring back my son's smile.
