Subject: Letter of appreciation for your effort towards this kind and benevolent act

Dear Sir/Ma'am,

Greeting from the Department of pediatric cardiac sciences, Amrita Hospital, Faridabad!

We are writing to express our deepest thanks to the Diya India Foundation and its supporters for helping to arrange the necessary funds for our patient Kirti (MRD 249601), a resilient six-month-old female who underwent TAPVC repair (8-9-2025) for coronary sinus TAPVC. She is being discharged on 15-09-2025 in a stable condition.

It was a significant contribution from your esteemed organization to help bridge the gap between the fortunate and the less fortunate to have such a high-end medical treatment.

We cherish your support and hope to continue the long term associate with your organization.

Thanks and regards,

Dr. ASHISH KATEWA
