## Ismail (1.5 Years)

My Son Ismail is just 1.5 years old. Since birth he cannot speak and cannot walk. Today, he is fighting for his life.

Ismail was born with a hole in heart. The doctors have told us that only surgery can save him and they said that the cost of the surgery would be around Rs. 2.1 Lakh.

I am working as a daily wage labourer and my salary is around Rs 8000 per month which barely helps to feed my family. For me, arranging such a huge amount is beyond my capacity.

With a helpless heart and folded hands, I am seeking support from Diya India Foundation and its kind supporters.

**This surgery is my Son's only hope to live.**
