Dear Sir/ Madam

The patient Noohman Ali Khan, born on 27.04.2023 S/o Mr. Ata Mohammad Khan, R/o Paltha Bareilly Kesarpur U.P.,-243303, has been examined by us. He has congenital heart disease (Valvular Pulmonary Stenosis) for which he requires cardiac procedure (Balloon Pulmonary Valvoplasty). The total cost of the procedure would be approximately Rs. 2, 00,000/- (Two Lakh Rupees)

This family requires financial assistance for the same so kindly help them in all possible way.

Regards,

Dr. Mridul Aggarwal

**ONLY HEART SURGERY
CAN SAVE MY
BABY'S LIFE
PLEASE HELP**

Noohman Ali (2.5 Years)

Over the past 6 months there hasn't been a single day when my son Noohman Ali (2.5 years) hasn't struggled to breathe. Now he is constantly sick and has become very irritable.

Few days back he had a high fever and we rushed him to the hospital said her mother. The doctors examined him and after an hour they told us that there is a hole in the heart and he needs immediate surgery and cost of the surgery will be around 2,00,000/-

My husband is a Labourer. He is getting a salary of Rs 7000/-p.m. His little income goes into running his household. Its impossible for us arrange this amount.

I don't know where to get the money from. I need to save my child. His disease is slowly and slowly overpowering his life. If he doesn't get the surgery urgently his heart will stop.

With your help my son's pain and suffering will go away and he will get a new life.

Please Help.
