**Subject: Letter of Appreciation for your efforts towards this kind and benevolent act**

Dear

Greeting from Department of pediatric cardiac sciences, Fortis Escorts Heart Institute & Research Centre  
We are writing to express our deepest thanks to **Diya India Foundation and its supporters** for helping to arrange the necessary funds for the patient **AQSA BIN MUKHTAR** who was suffering from Large perimembranous ventricular septal defect (congenital heart disease) and requiring treatment. She had undergone Dacron patch closure of VSD on 07<sup>th</sup> January, 2022 and was discharged on 19<sup>th</sup> January, 2022 in stable condition. It was a significant contribution to bridge the gap between the fortunate and the less fortunate to have such high end medical treatment.

We cherish your support and hope to continue the long term association with your organization.

Thanks and regards,

**Dr. S. RADHAKRISHNAN**
