EMERGENCY

Dear Sir/ Madam

The patient Gurfateh Singh born on 14.11.2025, S/o Mr. Sukhdeep Singh, R/o Gaunspur Nurpurber Ludhiana Punjab-141008 has been examined by us. He has congenital heart disease for which he requires cardiac surgery (Large PM VSD). The total cost of the procedure would be approximately Rs. 5,00,000/- (Five Lakh Rupees)

This family requires financial assistance for the same so kindly help them in all possible way.

Thankyou

Regards,

Dr. Jasleen Kaur

Baby Gurfateh
The only child is
fighting
for his life.
Please Help

Baby Gurfateh (4 Months)

Gurfateh is the only child, the only hope of his parents.

Gurfateh is just 4 months old — an age when a baby should only know love, warmth, and gentle smiles. But he is fighting a battle no child should ever face.

When his parents noticed that their little baby wasn't growing like other children, their hearts filled with fear, and they took him to a nearby clinic, where doctor suspected a serious heart condition and immediately advised them to take him to a the hospital in Delhi.

They rushed to Delhi with fear in their hearts and came to Sir Ganga Ram Hospital, where the doctors gave them the hardest truth — “Your child needs immediate surgery to survive.”

His surgery will be performed today.

His tiny heart is waiting for a chance to beat stronger...but his parents are helpless.

His father is a farmer and works hard every day just to provide basic needs. For him, arranging such a huge amount is simply impossible.

The surgery costs **Rs. 5,00,000**, an amount which they can never arrange.

They have tears in their eyes, hope in their prayers...

With folded hands, his parents are pleading with Diya India and its kind supporters to help save their only child..
